

WALTERIA NEWS NOTES

### God and Country Scout Award Presented to Patrick Willey

Betty Mitchell  
DA 4-4438

Boy Scout Troop 210, under the sponsorship of the Walteria Business Men's Club held an inspiring court of honor last Monday evening.

One of its members, Patrick Willey, of Dalemead St., was honored by the presentation of the God and Country Award, one of the highest awards given in Scouting, given by the church of the Scout's choice for his services rendered for one year in that church. The award was presented to Patrick by Jack Brown, new president of the Walteria Business Men's Club.

Two boys received tenderfoot awards—Floyd Kirtley and Eddie Moler. Second class awards were given to Mike Cordez, George LaPorte, Sam Marzovich, Larry Monaghan, and Bill Brooks. First Class award presented by C. Adams, troop committee chairman, was given to Max Stanton.

Visiting her over Saturday and Sunday were the Don Dahls, of Tujunga. They stayed at the home of Mrs. Mabel Foster, on Madison St., and spent a lot of time visiting with their former neighbors.

Arriving at the Torrance Memorial Hospital on April 21, was a new son for Mr. and Mrs. Jerry Anderson, of Cricklewood St. Craig Lee, as he has been christened, weighed a healthy nine pounds, six ounces. Being a chubby little rascal, he was only 20 inches long.

Craig Lee joins one brother, Mark, 7, and two sisters, Jerri-Ann, 5, and Sue Ellen, 3, in the family home. His proud grandparents all live in Nebraska.

An event in which many of our young people will be participating is the paper drive scheduled for May 5 by the Walteria PTA. Magazines will be accepted for this drive. Anyone who would like to help with this venture may contact Mrs. H. Herrera at FE 5-3107, or Mrs. H. Wrigley at DA 6-0382. These paper drives are one of the mainstays of financial earnings of the local PTA.

A little late, but a little nuss by the name of Cleo Pat, has come to live with the Don Dahls, of Cricklewood St. She arrived at the Gardena Hospital on Feb. 29, and has joined proud sister Ginger in the family home. Both maternal and paternal grandparents live in Portland.

The fortunate ladies who are to be honored by the Walteria Business Men's Club this Saturday night during a "ladies night" are really looking forward to the event. On the agenda for the evening will be entertainment and a buffet supper. The Business Men, by the way, plan to hold their installation of officers during their May meeting.

Guests of the Gordons for the week-end were Carol and Bonnie Gooler. The Herreras were host to the whole group on their guest ranch. High spot of the week-end was a huge lobster dinner eaten under the wide blue yonder with a luscious barbecue meal.

Harry H. Foltz, 1317 W. 223rd St., a driver for the Greyhound Lines, has achieved a ten-year safety record.

In recognition of having driven 120,000 miles without having been responsible for even the most minor accident, Driver Foltz has been awarded an engraved watch.

He is now on the run between Los Angeles and San Diego.

Snake victims—About 40,000 persons in the world die of snakebites each year.

Disease survey—India has more than two million cases of tuberculosis.

### Reflections

By J. HUGH SHERREY, JR.  
USE YOUR CAMERA, MORE

Parents make a pictorial record of children; a child and his puppy make a photograph that will live longer than either of them; a bride and her groom are as much a part of the American scene as our mountains, farms and cities; few of us have the ability to do as Whistler did but all of us have a camera to photograph our mothers. Record shots of historical interest may be shown to future generations.

Dust off your camera. Use it, more. Go to your photographer, have him make a study of yourselves; you'll change but that photograph won't. Take a picture of your daughter as she plays at keeping house, of your son with pistols; they'll change. That picture will vividly recall a time that will never return. Photograph for fun. Photograph for tomorrow that you may remember to day.

### Eighth Graders Give Play For Public Schools Week

On the night of April 26th at the Walteria School Open House, Rod McDaniel's 8th grade class chose to present a two act comedy, "The Knight of the Turkey Feather." It was well received and the plot line dealing with a boy's desire to be a knight and his ensuing troubles struck a responsive chord in many of the parents' jolly spots.

The leads were carried by Roger Bryan, Ricky Hull, Marilyn Welch, and Pam Lippold. Supporting the leads at the Tuesday night performance and at the two performances on Wednesday were Louise Marsh, Stirling Sheardown, Harvey Jinks, Gary Thompson, Douglas Lemaster, Jim Hunter, Richard Whitner, Mary Miles, Priscilla Beasley, Gale Askew, Steve Miles, Joe San Paolo, Max Montgomery, Don Lipari, Den-

### Socony-Vacuum Changes Name To Socony Mobile

Shareholders at the annual meeting, Thursday, of Socony-Vacuum Oil Co., Inc., in New York, voted to change the company's name and heard President B. Brewster Jennings report a new record for first quarter earnings, according to an announcement by R. L. Minkler, president of General Petroleum Corporation, Socony's Coast Coast affiliate. Some 99 per cent of the shares voted agreed to change the name to Socony Mobil Oil Company, Inc., to link the company's name more closely with the Mobil brand of products.

Jennings reported 1955 net first quarter earnings of \$47 million compared with \$46 million for the like period last year, the previous high. Earnings per share were \$1.34 after provision of \$15 million for Federal income taxes. First quarter

1954 earnings per share were \$1.31.

Socony's first quarter net domestic crude oil production averaged 237,000 barrels per day, some 5000 more than for the

comparable period of 1954. Domestic refinery runs up 33,000 barrels per day for a total of 550,000 barrels per day reflected not only generally increased demand for Mobil products but also operation of General Petroleum's new refinery at Ferndale, Wash.

### Lt. Shaw Takes Part In Logistic Exercise

Second Lt. Douglas H. Shaw, 23, son of Andrew D. Shaw, 3 Hillside Lane, Rolling Hills, will participate in LOGEX 55, an Army-wide logistical exercise, May 27 at Fort Lee, Va.

Approximately 5000 officers and enlisted personnel will be trained in supplying combat troops for modern warfare. Although no field units will be used, simulated conditions will give realism to the exercise.
